Re: PARENT/STUDENT/TEACHER/CONTRACT

Compliance with No Child Left Behind requires a School-Parent compact to be developed for our school and distributed to all parents.

Please review that attached CONTRACT with your students. Ask students to sign that they understand the contract. My signature will be there and there is a place for teachers'/parents' signatures. Present two copies to parents at conferences for signature. One copy belongs to the parent and one should be returned for the NCLB monitoring file in the main office. Any copies signed by teachers and students that are not signed by parents, if parents did not attend conferences, must be sent home for signatures. It is each teacher's responsibility to make sure that they have 100% compliance.
